

## The best scientific idea among students - 2019

Within the Decade of Science “The best scientific idea among students – 2019” Contest was held at the Faculty of Physics and Technique of Eurasian National University named after L.N. Gumilyov, with the support of the PTF dean’s office.

At this competition, Mariya Kovalenko, the 3<sup>rd</sup> year student of the Department of “Space technique and technologies”, took second place under the guidance of Ramazanova Zhanat Musanovna, Candidate of Chemical Sciences. Sarbayeva Diana, the 4<sup>th</sup> year student student, came in third place under the guidance of Kalmanova Dinara Mirzabekovna, the Candidate of Pedagogical Sciences.

According to the results of the competition, the students were awarded diplomas of II and III degrees and souvenir gifts.
