

The second stream of training students on courses "Fundamentals of entrepreneurship" at the faculty of Physics and technology

From 9 to 14 December 2019 at the Eurasian national University named after L. N. Gumilev on the basis of the faculty of Physics and technology for students-bachelors 3-4 courses held courses "Fundamentals of entrepreneurship". This time 98 students showed their desire to study entrepreneurship. The courses are conducted by Dinara Mirzabekovna Kalmanova, candidate of pedagogical Sciences, senior lecturer of the Department of "Space engineering and technology". The project was initiated by the national chamber of entrepreneurs "Atameken" together with the Ministry of education and science.

The training course provides for the study of the basics of doing business, marketing, business projects in demand in the relevant region, the definition of tax regimes, and other relevant topics. Students have 36 hours to study the basics of entrepreneurship.

During the course, students could feel themselves in the role of entrepreneurs, marketers, managers and performers. Training of students took place on innovative technologies of training with use of various models of training, game situations, role-playing games.

Also during the training, students met with current entrepreneurs and could ask them questions. One of such guests was Dauren Nurov-coach of personal and corporate growth, founder of the International Academy of personal growth, coach of the national chamber Atameken, member of the Association of HR managers, Vice President for development of the Association of speakers of Kazakhstan.

Also guests were Estamirov Aybolat Animeready - Deputy Director on social Affairs of the chamber of entrepreneurs G. Nur-Sultan, moderator, Askerov Emin halilović is a social entrepreneur, Mahalin Azamat - Business coach chamber of entrepreneurs G. Nur-Sultan.

Courses "fundamentals of entrepreneurship" include:

- 1) teaching young people the basics of doing business;
- 2) providing consulting services for the preparation of business plans;
- 3) organization of protection of business plans by participants of the project "SHMP»;

In the course of training, students are provided with educational and methodological materials on the basics of doing business and preparing a business plan.

Upon completion of the course, students will be issued certificates of completion.
